

# ADAM JAMES NAGLE

[ADAM@NAGLEWEBDESIGN.COM](mailto:ADAM@NAGLEWEBDESIGN.COM)

## OBJECTIVE

Seeking a web application development position, to bring quality and value to web projects, by using cutting-edge web technologies.

## EDUCATION

### Computer Science, Bachelor of Science

August 2006 – December 2009

University of Kansas, Lawrence, KS

GPA 3.4/4.0

Studies focused in application development, software engineering, application lifecycle management, and database systems. Worked well in several (award-winning) team projects, building real-world applications, using Ruby on Rails, Java, and C++

## EXPERIENCE

### I/T Specialist

February 2009 – Present

U.S. Geological Survey, Lawrence, KS

Created custom web applications for in-house users to streamline workflow, making data management and analysis easier. Used PHP, MySQL, and the Zend and CakePHP application frameworks to build national projects, and used Visual Basic, Excel, Access, Perl, and shell scripting to build local, in-house solutions. Provided technical support and hardware repair and maintenance as needed.

### Freelance Web Designer

August 2004 – Present

Nagle Web Design, Lawrence, KS

Lead designer and developer for web sites for small businesses. Built custom E-Commerce solutions and content, as well as promotional websites, depending on specific client needs. Site creation included use of CSS, HTML, JavaScript, MySQL, PHP, online payment features, and form processing. Created and assembled web graphics, including logos and advertisements. Acquired priceless experience in business management and human relations.
